Walk Safe Long Island is a pedestrian and cyclist safety campaign that teaches Long Islanders about walking and biking safely through law-based education. WSLI is produced for the New York Coalition for Transportation Safety by the Long Island Health Collaborative, funded by the National Highway Traffic Safety Administration with a grant from the New York State Governor's Traffic Safety Committee. For more information, visit walksafeli.org, email lihc@nshc.org, or call 631-963-4167.
